

Hope Highlights

“To restore hope and see transformation in the lives of gang-affiliated individuals and those involved in the justice system.”

September/October 2023

Thank you for all your support in 2023!

The Jobs of Hope 2023 Annual Banquet was a resounding success! We wish to thank all the supporters, donors, and sponsors of this year's banquet. We celebrated 10 years of operation in Greeley. The event was held on September 14th at UNC's Rocky Mountain Ballroom. We had over 270 people in attendance!

Just like in prior banquets, the evening began with our Silent Auction and reception. It was a great time to catch up with old friends, bid on some fun auction items, and meet some new people in the community. Bob Pfenning provided the entertainment during the reception. Bob is a very talented musician. Please reach out to him at bbpfenning@yahoo.com. We also want to thank The Hispanic Women of Weld County

We were blessed this year to hear from Vanna In and Greg

Ehlert, founders of Jobs of Hope from 2013. Vanna and Greg both spoke about the origins of Jobs of Hope, as well as the importance of investing in the lives of the clients in our organization. Their ultimate appeal was that all of us together are making an impact in the City of Greeley, and we all must continue the work.

It has been said many times, but bears repeating. Your prayers and financial support allow us to bring hope to the men in our program. We strive to show each client that they were born for greatness, God has a unique and special purpose for them, and that they can make an impact on our community!
