

*To find, train and equip at-risk young men in order that they may become positive influences of our community through a job and caring relationships*

## DONATION UPDATE

~~~~~  
It has come to our attention that some people are still using Paypal as a means of giving monthly donations.

**Please be aware that Paypal is no longer a viable giving option.**

If you are using Paypal to give to Jobs of Hope please cancel any recurring donations immediately.

~~~~~  
We have switched to the online giving platform called **Continue to Give.**

You can set up recurring donations through this new system by either scanning the QR Code to the right or by visiting:

## GRADUATE SPOTLIGHT: Teegan

Here is Teegan receiving a *Men's Battle Bible* from our Education Leader, Rick Hartman.

## DIRECTOR'S CORNER

*Reflecting on the program*

I continue to say JOH is the most diversified program I've ever been involved with. Race, income, education, age does not matter when the battle of incarceration and substance abuse haunt us. We continue to offer love, guidance, a job, and Jesus Christ no matter who they are.

As we get ready to share our exciting future with you, we thank you for all your support and prayers.

As we expand our intentional services to the men, we will be much better in our communication to you.

Thank you for your patience with us through this whole process.

Our recent graduate came to us via his concerned mother. Like so many of our men, his mother loves him so much and was heartbroken to see her son battling addiction and incarceration. Out of desperation and love she contacted us to see what hope we could provide her son and by extension her as well.

Teegan joined us with an attitude of wanting change and has been poured into by his pastor. He had a great support system that we were able to leverage through JOH. Our staff, Rick and Gabe, spent many hours leading Teegan through our curriculum and encouraging him in the difficult and sometimes frustrating process of life change. We have loved watching his enthusiasm grow as he has grasped the ideas taught in the program and began to apply them to his own life. We are praising the Father that Teegan is relying on God, not a drug or alcohol, to control his life.

We are also so proud to share that his dedication to the program and desire to see his goals through to completion has led to employment too!

After completion of the various classes and odd jobs, our partner, Universal Forrest Products in Windsor, welcomed him into their family of employees. We ask you to put Teegan on your prayer list as he walks in a new life.

These are the stories that we love to tell but cannot be told without your continuing prayers and financial partnership.

Our deepest and most sincere, Thank You, to every one of you who makes this work possible.

## ORGANIZATION UPDATES

We now have a full-time Program Director who is also our case manager in Ozzie Mendoza (middle) along with Jazz Garrison (left) who is working as our Operations Director. We are as excited to have a full staff to help the men through the hard work of reintegrating and transforming their lives. Be watching for more information on our new additions in future newsletters.
