Director's Corner

Weather is starting to cool off, and Fall is in the air. Are you ready for winter? With the opening of the "House of Hope" project, we are excited about this new chapter here at Jobs of Hope and about the opportunity to meet the needs of our homeless participants who have a genuine passion to transform their lives with the assistance of our new service. Reception from our community partners, donors and friends has been overwhelming. We couldn't have made this home a reality without you. Information on an open house is enclosed and we pray you can join us.

This year's annual banquet was an overwhelming success. On September 9th, we were greeted with a sold-out crowd of community residents, leaders and businessmen and women who enjoyed a wonderful meal and got to see the amazing works of our program and staff. We also took the opportunity to recognize the success of our participants and those who have been a part of the agency's growth over the past few years. Once again, I am humbled and inspired by the efforts of the residents and businesses of our community to make a difference in the lives of those we serve. We can all stand proud with the knowledge that we can do more together, and we hope to see you all next year.

Sincerely in Christ,

Ernest Cienfuegos-Baca
Executive Director
